El-Al codeshare flights - (i.e. where a flight operated by an airline is jointly marketed as a flight for one or more other airlines. In this case the airline will retain its own flight number and have an El-Al number as well.) One may need to order the kosher meal beforehand (as one would on any non-El AL flight). *Regal Meals*, certified by the Volover Rov are only available on regular El-Al flights.

Duncan Hines Moist Deluxe Cake Mixes have gone back to pareve status. Pinnacle Foods has reversed a decision made in 2005 to switch the product to dairy. Twelve of 18 Moist Deluxe flavors, representing more than 80 percent of sales, are being returned to pareve. These include:

- ▶ Moist Deluxe Classic Yellow
- ▶ Devil's Food
- ▶ Lemon Supreme
- ▶ Butter Recipe Golden
- ▶ Swiss Chocolate
- ▶ Spice
- ▶ Fudge Marble
- ▶ Pineapple Supreme
- ▶ Butter Recipe Fudge
- ▶ German Chocolate
- ▶ Red Velvet
- ▶ Dark Chocolate Fudge

Pareve production began in September. Duncan Hines has begun shipping the products to stores. It should be in most locations by November and December. Check each label to ensure it is pareve and not from the previous dairy production.

Listerine Pocketpaks Breath Strips bearing the Kof-K were co-packaged with Listerine Pocketmist Oral Care Mist in a special promotional package found in Costco stores from October 2005. ONLY Listerine Pocketpaks Breath Strips are certified by the Kof-K.

Fudge Chocolate White Chip Biscotti, by Z-Snacks Corp, are in fact Kof-K Parve. Whole milk powder was accidentally listed as an ingredient on the label. There are no dairy ingredients used in this product.

Barricini has changed the following products from pareve to dairy. The dairy designation was inadvertently omitted. The products are certified Kof-K Dairy non-Cholov Yisroel:

- ▶ Barricini Decadent Dark Chocolate Graham Crackers
- ▶ Barricini Gourmet Dark Chocolate Graham Crackers
- ▶ Chateau Brand Dark Chocolate Thin Mints

Good Start Soy Baby Formula (in powder form) - Soy powders with an 8/1/07 expiration date erroneously bear an OU-D symbol, the items are actually kosher pareve. Future labels will be corrected. Note: Good Start Soy liquids are, and have always been, made with pareve ingredients on dairy equipment and properly bear an OU-D.

Pre-washed Romaine - Presently, the only Star-K certified bagged romaine lettuce is produced by Fresh Express and is acceptable only when bearing a Star-K in the date code.
