

## Pesach Information

**Haddar Chabura Shmura Matzos** are the only *matzos* certified by Star-K this year. These *matzos* adhere to the strictest 18 minute standard. The 18 minutes are calculated from the time the water is first poured onto the flour, until the very last *matza* of that batch is put into the oven. Please be aware that not all 18 minute *matzos* are the same. Most brands calculate the 18 minute interval so that the actual time is significantly greater than 18 minutes. All of the *mehadrin* machine *matza* bakeries possess very reliable kosher supervision. However, the kosher consumer should realize that not all *mehadrin* machine *matzos* are created equal. For more information, visit the Star -K website by typing [www.star-k.org/cons-kash-recent.htm](http://www.star-k.org/cons-kash-recent.htm) and selecting the Spring 2009 issue of *Kashrus Kurrents*, "Machine *Matzos*."

**Baltimore Chometz Burning** this year will take place on Monday, March 29, 2010 between 6:30 a.m. to 11:30 a.m. in the Clubhouse Parking Lot of the Pimlico Race Course. The only entrance is from Hayward Avenue, three blocks east of Park Heights Avenue. Look for posters throughout the community for directions.

The **Star-K Pesach Guide 2010** is available in bookstores. Star-K's product information and various *Pesach* related articles can be found online by visiting [www.star-k.org](http://www.star-k.org) and clicking on the *matza* icon, "*Pesach* Info and Lists."
