

MARYLAND POST-PESACH BEER ALERT LISTING 2021/5781

It has come to our attention that two large beer distribution companies, who are the exclusive distributors of many brands in Maryland, are Jewish owned. Due to numerous challenges, a proper sale of Chometz is not possible. As a result, many brands of beer sold in our area will be Chometz She'avar Alav HaPesach. The problematic beer in stock will not be depleted until sometime in May. Please check our website after May 1st for an update. Until that time, the beers on the list below should not be purchased. We do not have any information about beers sold outside of Maryland.

For a list of stores where brands listed may be purchased, [see here](#).

The following beers may not be purchased in the indicated areas after Pesach, due to chometz issues. For updates see www.star-k.org.

This list is for Chometz informational purposes only. It is NOT an endorsement of the Kashrus status of any beers listed. All flavored beers or beverages require reliable Hashgocho.
